Chapter 2 by Wolfato the Bunacado (Wolves4Days) - Inactive

I'd like to say to you (Joakim), thank you for creating this exciting website where you can freely make fun and exciting stories, but at the same time making it more exhilarating by also making it a friendly competition. To me, that is as creative as any person gets. I'd like to thank you again for this great learning opportunity!

Storywars is the best thing ever, **especially** when you have a long day of boring school. I love reading stories and creating my own.

Chapter 6 by The Coffee Freak

I think what we're all failing to actually say is that we love you Joakim. You're the best.

Chapter 7 by ms.poptart

Thank you, Joakim, for creating such an amazing website for people who enjoy reading and making their very own stories! I love how we get gems when someone reads your story and points! I just love how you can make drafts for other people's stories and make it a very friendly competition for everyone! I am grateful to you, Joakim, for everything. I've gotten better writing stories and I feel more confident with showing it to my friends! AMAZINGGGGGGGGG!
